WORK EXPERIENCE

Full-stack Developer Intern

Feb 2024-May 2024

E2E Business Solutions

- Collaborated with a Team: Worked closely with senior developers and designers to create and enhance a responsive e-commerce website using HTML, CSS, and JavaScript.
- Front-End Development: Assisted in the development of interactive and visually appealing web pages. Implemented features like dynamic product displays and user-friendly navigation menus.
- Debugging and Optimization: Identified and resolved bugs, and optimized web pages for performance and cross-browser compatibility, ensuring a seamless user experience.
- Learning and Adaptation: Quickly adapted to new tools and technologies as needed, including various front-end frameworks and libraries.
- Development Guidelines: Adhered to industry-standard development guidelines to ensure high-quality, maintainable code. Followed best practices in coding standards, version control, and project management.

Freelance Web Developer

December 2023- January2024

- Developed an Inventory System for small-scale business store using HTML, CSS, Bootstrap, jQuery, JavaScript, PHP, MySQL, EMS SQL Manager Lite and XAMPP.
